* The following official documents, in the original, are valid as identification documents in accordance with the CHEMPARK regulations, as long as the personal data contained therein is not based on the document holder's own statements
For German citizens, the only documents accepted are: a valid identity card/official replacement identity card; or a valid passport/official replacement passport.

For citizens of countries fully implementing the Schengen regulations: a valid, officially recognised national identification document corresponding to the German identity card; or a valid, officially recognised passport/replacement passport corresponding to the German passport.

For citizens of other countries: a valid, officially recognised passport/replacement passport corresponding to the German passport. We are not authorised to accept other documents such as, for example, a driving licence.
