* The following original official documents are acceptable as ID under CHEMPARK regulations, as long as the personal details they contain are not based solely on information provided by the ID holder.

For German citizens: only a valid ID card/official replacement ID card or a valid passport/official replacement passport.

For citizens of a country fully implementing the Schengen acquis: a valid, officially recognized national ID card corresponding to the German ID card, or a valid, officially recognized passport/replacement passport corresponding to the German passport

For citizens of other countries: a valid, officially recognized passport/replacement passport corresponding to the German passport. We unfortunately cannot accept any other documents, including for example a driver's license
